

U.S. SENATOR WILLIAM H. FRIST, M.D. MAJORITY LEADER

Putting Tennessee First ...

"I'm proud of the many accomplishments of the 108th Congress. From tax cuts to intelligence reform, we tackled big issues and made great strides for Tennessee. As a result of our legislation, Tennesseans will benefit from a more equitable tax system, a reorganized TVA Board and funding for a range of valuable programs and initiatives across the state. The 108th Congress was truly a historic period in our legislative history, and I look forward to continuing to work hard on the issues that matter most to Tennessee."

The following Tennessee initiatives were supported with federal appropriations through the combined efforts of the Tennessee Congressional delegation:
